

This 14-hour YMHFA course teaches adults how to provide Mental Health First Aid to adolescents

Mental illnesses often start in adolescence or early adulthood and it is important to detect problems early to ensure the young person is properly treated and supported. The YMHFA course teaches adults who have frequent contact with adolescents, such as parents, guardians, school staff, sport coaches and youth workers, how to assist adolescents who are developing a mental health problem, experiencing a worsening of a mental health problem

What is the Youth Mental Health First Aid course?

The Youth Mental Health First Aid (YMHFA) course is based on international MHFA Guidelines. These Guidelines were developed using consensus of mental health consumers, carers and professionals from English-speaking developed countries.
